2017 Index to the Little League® Rules

Introduction

This index is intended to provide an easy way to locate the particular Little League® rule(s) or regulation(s) covering a specific situation.

Certain rules are specific to either baseball or softball. In addition, in some situations, the same rule is numbered slightly differently in the baseball rulebook versus the softball rulebook. Finally, there are rules that are specific to the All Star Tournament, as well as relevant comments in *Make The Right Call, The Casebook of Little League*. To help sort through all of this, the following prefixes are used where appropriate:

Prefix	Meaning
BB	Baseball
SB	Softball
MTRC	Make The Right Call
AST	All-Star Tournament

In addition, the following abbreviations are used:

Abbrev	Meaning
AR	Approved Ruling
EX	Exception
M/M	Majors and Minors
I/J/S	Intermediate, Juniors and Seniors
S	Seniors

If you have any suggestions to improve this index, please drop me a line at **LLUmp34@hotmail.com**. Even if you don't have any suggestions, if you find it useful I would appreciate hearing from you, if for no other reason than to find out where it has traveled.
