
LITTLE LEAGUE BASEBALL CHANGES FOR 2018 SEASON

Last Updated May 22, 2018

The following is a summary of the changes between the 2018 Little League Baseball regulations and rules and their 2017 counterparts. Items have been loosely categorized as to whether the change represents a clarification of existing practice that was simply added to the rulebook, or whether it represents an actual change to the rules or regulations.

Note that some of these changes were adopted after the 2018 rulebooks were printed, so are not reflected there. Little League indicates that they will be correctly reflected in the electronic version of the rulebooks. See <https://www.littleleague.org/playing-rules/rule-changes/>.

Throughout this document, text that is underlined represents the modified or newly added text.

REGULATION III(C)

REGULATION CHANGE

This change eliminated the limit of eight 12-year-olds on a Major team. That limit was replaced by the text:

It is recommended that the local Little League set a maximum and/or minimum number of participants of a particular league age per team..

REGULATION IV

REGULATION CHANGE

The "League Age" date has been changed to August 31st. This change was announced in 2015, becoming effective this year.

REGULATION VI(D)

REGULATION CHANGE

Previously, if a pitcher pitched 20 pitches or fewer, he/she could be used for an unlimited number of days. The following has been added:

NOTE: Under no circumstances shall a player pitch in three (3) consecutive days.

This change applies to all divisions, and also to tournament play.

REGULATION VI NOTE 3, RULE 4.10(D), TOURNAMENT RULE 11

REGULATION CHANGE

Previously, if a game was suspended before the first inning had been completed, the game was replayed from the beginning, and all records, including pitching, were not counted. This exception has been removed.

As a result, now under all circumstances, if a game is suspended, it is resumed from the point at which it is halted, and pitching rest requirements apply.

REGULATION VII(A), TOURNAMENT ELIGIBILITY

REGULATION CHANGE

Senior Baseball

Previously, the minimum number of games that could be scheduled in the regular season was 12. For Seniors, this has been dropped to 10. As a result, the tournament eligibility section now reads:

The league must have scheduled and played, at a minimum, a 12-game [Senior League: Ten (10)-game] (per team) regular season, exclusive of playoffs and tournament games, for each division, or age appropriate division, entering tournament prior to the first game in their respective tournament. See Reg. VII. NOTE 1: Forfeited games shall not count towards the 12-game [Senior League: Ten (10)-game] regular season. NOTE 2: For Junior Tournament eligibility, Senior League players league age 13 and 14 must have played in a minimum of eight (8) games.

REGULATION XIV(A)

REGULATION CHANGE

This change extends the authority of the local league to address unsportsmanlike conduct through online or social media.

The actions, on or off the field, of players, managers, coaches, umpires, and league officials must be above reproach. Any player, manager, coach, umpire, or league representative who is involved in a verbal or physical altercation, or an incident of unsportsmanlike conduct, at the game site or any other Little League activity including through online or social media, is subject to disciplinary action by the Board of Directors.

RULE 1.10

RULE CHANGE

As announced in 2016, this year Little League is moving from the older “BPF 1.15” certification to the new “USABat” bat certification standard, and also now allow the use of 2-5/8” bats below the Junior divisions. As a result of the certification change, the majority of bats that were legal for play in 2017 are no longer legal in 2018.

Beginning with the 2018 season, non-wood and laminated bats used in the Little League (Majors) and below, Intermediate (50-70) Division, and Junior League divisions, as well as the Little League Challenger Division, shall bear the USA Baseball logo signifying that the bat meets the USABat - USA Baseball’s Youth Bat Performance Standard. All BPF - 1.15 bats will be prohibited beginning with the 2018 season. Additionally, starting in 2018, the bat diameter shall not exceed 2-5/8 inches for these divisions of play. Additional information is available at LittleLeague.org/batinfo.

Tee Ball [Baseball]: Under the USABat standard, certified Tee Ball bats (26” and shorter) will feature the USA Baseball mark and text which reads ONLY FOR USE WITH APPROVED TEE BALLS. All Tee Ball bats must feature the USA Baseball mark and accompanying text. Tee Ball bats that were produced and/or purchased prior to the implementation of the new standard can be certified using an Approved Tee Ball Sticker via the USA Baseball Tee Ball Sticker Program (USABaseballShop.com) beginning September 1, 2017.

Minor/Major Divisions: It shall not be more than 33 inches in length; nor more than 2-5/8 inches in diameter, and if wood, not less than fifteen-sixteenths (15/16) inches in diameter (7/8 inch for bats less than 30”) at its smallest part. Wood bats taped or fitted with a sleeve may not exceed sixteen (16) inches from the small end. NOTE: Solid one-piece wood barrel bats do not require a USA Baseball logo.

Intermediate (50-70) Division and Junior League: It shall not be more than 34” inches in length; nor more than 2-5/8 inches in diameter, and if wood, not less than fifteen-sixteenths (15/16) inches in diameter (7/8 inch for bats less than 30”) at its smallest part. Wood bats taped or fitted with a sleeve may not exceed eighteen (18) inches from the small end. NOTE: Solid one-piece wood barrel bats do not require a USA Baseball logo.

The requirements for Senior bats (BBCOR certification) have not changed.

RULE 1.10 NOTE 2

RULE CHANGE

The use of pine tar and other adhesives is now illegal.

NOTE 2: The use of pine tar or any other similar adhesive substance is prohibited at all levels. Use of these substances will result in the bat being declared illegal and removed from play.

RULE 3.03

RULE CHANGE

Previously, during regular season play, a starter could re-enter the game in a slot in the batting order other than his/her original one, and only starters were permitted to re-enter. The regular season rule has been changed to match the tournament rule, requiring that a starter re-enter the game in the same position in the batting order that he/she originally occupied, and permitting substitutes to re-enter. Thus, the rule now reads:

Little League Baseball Regulation and Rule Changes For 2018 Season

A player in the starting line-up who has been removed for a substitute may re-enter the game, in the SAME position in the batting order, provided:

- (a) his or her substitute has completed one time at bat and;
- (b) has played defensively for a minimum of six (6) consecutive outs;
- (c) (unchanged regarding pitchers leaving the mound)
- (d) A starter and her/his substitute must not be in the line-up at the same time, except as provided in 3.03 Note 3. Once mandatory play is met, a starter and substitute(s) can enter/re-enter for each other as desired, but must re-enter in the SAME position in the batting order.

RULE 4.04 A.R.

CLARIFICATION

For leagues using the continuous batting order, the following Approved Ruling was added.

A.R. - For the purpose of continuous batting order, all players listed in the batting order shall be considered starters.

This essentially specifies how the players should be treated under some of the other rules.

RULE 4.07 SUSPENSIONS

CLARIFICATION

Previously, the rule read.

4.07 - When the manager, coach, or a player is ejected from a game, they shall leave the field immediately and take no further part in that game. They may not sit in the stands and may not be recalled. A manager or coach ejected from a game must not be present at the game site for the remainder of that game. Any manager, coach, or player ejected from a game is suspended for his or her team's next physically played game and may not be in attendance at the game site *from which they were suspended*. This includes pregame and postgame activities."

The italicized text ("from which they were suspended") has been removed from the rule.

RULE 4.10(E), TOURNAMENT RULE 12

RULE CHANGE

Additional "mercy rule" provisions have been added:

If after three (3) innings [Intermediate (50-70) Division/Junior/Senior League: four innings], two and one-half innings [Intermediate (50-70) Division/Junior/Senior League: three and one-half innings] if the home team is ahead, one team has a lead of fifteen (15) runs or more, the manager of the team with the least runs shall concede the victory to the opponent. If after four (4) innings [Intermediate (50/70) Division/Junior/Senior League: five innings], three and one-half innings [Intermediate (50/70) Division/Junior/Senior League: four and one-half innings] if the home team is ahead, one team has a lead of ten (10) runs or more, the manager of the team with the least runs shall concede the victory to the opponent. NOTE: (1) If the visiting team has a lead of fifteen (15) or ten (10) runs or more respectively, the home team must bat in its half of the inning. (2) The local league may adopt the option of not utilizing this rule.

RULE 8.06(A) AND (B), TOURNAMENT RULE 7

REGULATION CHANGE

Majors and above

Previously, a manager could visit a pitcher twice in one inning and three times in a game without having to remove the pitcher. For Majors and above, both limits have been reduced by one. For Minors and below, the old limits apply.

- (a) A manager or coach may come out once (Minor Division: twice) in one inning to visit with the pitcher, but the second time (Minor Division: third time) out, the player must be removed as a pitcher. Example: If a manager visits Pitcher A once in the first inning, then makes a pitching change in the same

inning, Pitcher B would be allowed one visit in that inning before being removed on the second visit.

- (b) A manager or coach may come out twice (Minor Division: three times) in one game to visit with the pitcher, but the third time (Minor Division: fourth time) out, the player must be removed as a pitcher. Example: If a manager visits Pitcher A twice in the first three innings, then makes a pitching change in the fourth inning, Pitcher B would be allowed two visits in that game before being removed on the third visit, subject to the limits in (a) above.

For Tournament play, the Majors rule is used in the 9-11 year old division. The 8-10 old division uses the Minor division rule.

RULE 9.01(E)

CLARIFICATION

The note regarding sign stealing has been reworded slightly:

NOTE: The local league has the option to adopt this rule application. The stealing and relaying of signs to alert the batter of pitch selection and/or location is unsportsmanlike behavior. If, in the judgment of the umpire this behavior is occurring, those responsible including any player(s), coach(es), and/or manager shall be ejected from the game.

Previously, the rule said “may be ejected.” This clarification indicates that, if a league adopts this rule, and if an umpire detects the behavior, ejection is not optional.
